

ELLIS NATURE CENTRE

Fall 2025 School Programs

Ellis Nature Centre is ready to jump right back into the school year with you, featuring a program focused on the forests, wetlands, and grasslands of the Parkland Ecosystem! This program is available Tuesday and Thursday afternoons from 12-2pm, September 9 to October 9. At this time we are only accepting school groups of grade 5 and/or grade 6 students.

What you can expect:

- 2 hour themed instruction of outdoor activities, rain or shine!
- Knowledgeable & approachable staff.
- Hands-on, interactive activities directly tied to the Grade 5 and/or 6 Science Program of Study, with a focus on forest, wetland, and grassland ecosystem.

What we expect from you:

- Minimum one supervisor for every 15 children
- Dress for the weather!

Prices:

2 hour program for up to 15 children: \$100.

2 hour program for up to 30 children: \$200.

At this time, we are unfortunately unable to accommodate groups larger than 30 children at once.

Payment is due by September 9th, by mailing a cheque to the address on the first page or by phoning 403-885-4477 with a credit card. Please note that we do have a 3.4% credit card processing fee.

Because we will run rain or shine, any rescheduling or cancellations must be made by September 9th for a refund of the program fees.

Registration Information:

Registration is open immediately! Registration is completed by filling out the form on the Fall School program on our website, which can be found [HERE](#). Spots are filled on a first come, first serve basis.
